Probably we will get around to was his home for years before he died? and then laugh at us, but if such is doing a review of this entertaining the case we must say that we will not novel by next Sanday.

A Follower of the Golden Rule Laments the Age To the Editor of The Tribune

Old Stuff

Sir: I own a house in an upstate elfe. which is occupied by a gentleman whom I will call Mr. S. Mr. S. recently wrote to me saying that it was his intention to paper two of the rooms in my house

as not all roses to be one. I quot

"I thank you for your splendid letter. I have bought the paper for the We drove and drove and finally came skin and bones. Miriam managed to as too square a chap to be considered distance of that group of men. I am

glad that our relations have been of the most cordial nature." than I could, for there are more of him

Yes, there is no doubt about it, we are behind the times. The Golden Rule dead. Mass formation is the thing, I the other fellow has anything that you want, take it away from him if you are big enough. That is the up-to-date stuff And yet Mr. S. and I shall continue to

we are hopelessly old-fashioned New York, April 25, 1920,

The Poe Cottage

A Precious Memorial and a Misplaced Tablet

Sir: I first saw the Poe cottage different posts in North Finland, treated months for Vladmir, he being so ill, Kingsbridge Road. There were the very kindly, and finally sent here for Miriam paid for one bottle 240 rubles; very tew buildings in that vicinity chickens cost 2,000 and a goose 6,000 to The Poe Park of to-day at that time though one of them is the Buffalo Bill Last summer we were all ready to 7,000 rubles. You can see by these prices was a piece of waste land market icave by the same way and were all that few people can exist. Potatoes a only by rocks, bushes and straggling in the park, appears like a precious
